**ANASTASIOS ANTONIOU LLC's SENIOR PARTNER APPOINTED
GOVERNMENT ADVISOR ON PRIVATE EDUCATION AND ITS REFORM**

September 8, 2010 – Limassol: The President of the Republic of Cyprus, H.E. Mr. D. Christofias and the Council of Ministers have earlier today appointed Dr. Anastasios Antoniou, the Senior Partner at Anastasios Antoniou LLC, as a Member of the Commission for Private Education to advise on the reform of private education.

Dr. Antoniou was delighted with this development and looks forward to working on a Pro Bono basis towards drafting the new legislation to be proposed for the reform of private education in Cyprus, including the legislative framework regulating the creation, operation, licensing and commercial activity of private elementary and secondary education schools and colleges in Cyprus, amongst other matters entailed in the Education Reform.

Anastasios Antoniou LLC is a private company limited by shares, incorporated and organized under the laws of Cyprus with Registration Number 258132. It is based in Limassol and practices the law in matters relating to competition, energy, private international law, intellectual property and all aspects of corporate and commercial law.
